## About AIIMS Raipur

AIIMS Raipur is one of the SIX AIIMS healthcare institutes established by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY). With the aim of correcting regional imbalances in quality tertiary level healthcare in the country, and attaining self - sufficiency in graduate and postgraduate medical education and training the PMSSY planned to set up 6 new AIIMS like institutions in underserved areas of the country. AIIMS New Delhi, the forerunner institute, was established in 1956. Since then, 24 more institutes were announced. As of January 2023, **twenty institutes are operating and four more are expected to become operational until 2025**. Proposals were given for six more AIIMS.

## About College of Nursing

The Nursing College, All India Institute of Medical Sciences Raipur has been established in the Year 2013 under the Pradhan Mantri Swastya Surakha Yojna (PMSSY). The current Building of Nursing college was inaugurated on 27.11.2015. Our aim is to provide high quality education, skill & training and practice of advanced nursing that continually responds to changing social realities through the development and application of knowledge. B. Sc. (Hons.) Nursing was started with intake of 60 students from 2013 and seat intake was enhanced to 75 from session 2020 onwards. M.Sc. in Psychiatric Nursing was started in July 2018 and currently the proposals are submitted for starting PG nursing in other specialties too. One outstanding milestone is, College of Nursing received Best NNF President Appreciation Award for Outstanding Newborn Week Celebration from National Neonatology Forum 2018 and many awards and appreciations were received by faculties and students at national and state level.
