The Department of Transfusion Medicine & Blood Bank, AIIMS, Raipur

Two credit hours approved with The Chhattisgarh Medical Council

PROLOGUE

Chhattisgarh state has 16 NACO supported Blood Banks and 7 non- NACO supported Blood Banks.

Chhattisgarh is also endemic state for Sickle Cell Disease and with a nascent Blood Bank infrastructure in the state. There is a need for continuous education program with the practical hands on training to promote correct blood banking practices in the state.

This CME-WORKSHOP is directed towards Clinicians, Blood Bank officials and Technicians for the enhancement of correct Blood Bank protocols and procedures and to provide an update on the current Blood Banking practices for the Hospital and Stand-alone Blood Banks.

**Write-ups are invited on "Blood Transfusion" for publication in the Souvenir releasing on the day of the CME.
Word Limit 1000 Words Last
Date 15th March 2017**

**CME & WORKSHOP FEE :
DOCTOR RS. 1500.00 ONLY
TECHNICIAN & AUXILIARY STAFF RS. 1000.00 ONLY**
