

AIIMS RAIPUR SPORTS CLUB

INCEPTED ON Oct 27, 2021

ABOUT SPORTS CLUB

Sports are essential part of our lives. There are some famous quotes-

“Sports is Preserver of Health” - **Hippocrates**

“Sport and health are so important that they deserve to be right at the front of people’s mind”
- **Daley Thompson**

It was a matter of great concern that students and staff of this Institute, interested in the sports, had little options available to them with respect to the wherewithal of learning the sports professionally. This is the problem which we attempt to address through creation of sports club. AIIMS Raipur Sports Club was established on Oct 27, 2021 (Official Order no. 18/03/2020-21/Admin/1424).

Regular tournaments of various sports will be drawn up in the campus to persuade as many staff as possible to participate in various sports. The AIIMS Raipur Sports Club will play a commendable role in nurturing the extra-curricular talents of the staff; enhancing their personalities and cultivating leadership qualities to equip them for a successful & healthy social life.
