Sub: Advisory on AIIMS Raipur Home Webpage for Upcoming Convocation and Alumni Meet

Dear Sir,

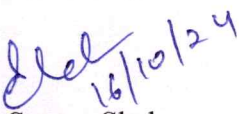

As we prepare for the upcoming alumni meet and convocation, I would like to share important information regarding access to hostel. The students attending the alumni meet and convocation, may ask for residential accommodation at the AIIMS hostel. However, as per our Hostel rules and regulations and safety protocol, the hostel committee is of the opinion of not providing them any access to the hostel facilities including overnight stays and daytime visits.

Hence, the following advisory needs to be uploaded on the AIIMS Raipur home webpage.

“Dear Alumni, As we prepare to welcome you back for the upcoming alumni meet and convocation, we would like to inform you that access to the hostel facilities will not be permitted for any attendees during the alumni meet and convocation. This includes both overnight stays and daytime visits. We appreciate your understanding as we prioritize our hostel rules and regulations and safety protocol.”

In this regard, I would request you to permit for the same.

Thanks, and regards,

16/10/24
